

How to reserve book through library system?

- The Library Management System provides facilities to search / reserve / renew books for the library users, and to prepare a recommended textbook list.
- Even though the book was already borrowed by the student, the system support another student to reserve that book as the next borrower.
- The system does not support to renew the book further if it is already reserved.
- Reservation is valid only 24 hours. If the book is not borrowed from the circulation desk, the reservation is automatically cancelled, and again gate open for the next library user to reserve the book.
- Reservation guidelines are in right-hand site for your information.
